*Soft
Plush
Fleece*

- Skill Level: Ⓢ Ⓢ Ⓢ Ⓢ Ⓢ
- Approx. crafting time:
Less than 1 hour
- Final Size: 16"W x 7"H

Fabric Requirements

1 yard of Plush Fleece (58" wide) from
Camelot Fabrics in each Main color:

- 8322/E #03 Rose
- 8322/E #04 Turquoise
- 8322/E #11 White

1/8 yard of Plush Fleece in Filling color:

- 8322/E #11 White

OTHER TOOLS & SUPPLIES

- fiber stuffing
- paper printer
- basic sewing supplies:
 - sewing machine
 - needle & coordinating thread
 - iron & pressing surface
 - measuring tape
 - scissors & fabric shears
 - straight pins
 - fabric marker

NOTES

- Please wash your fabric before beginning.
- *Do not iron fleece.*
- The nap on our plush fleece causes one side to look darker than the other. For this project, we'll use this effect to give the impression of different parts of the macaron's meringue.
- WOF = Width of Fabric.

CUTTING

1. Print the Macaron Pillow template (pp 3-8) at 100% actual size and join the pieces by matching the numbered triangles. Cut out the template.
2. Pin the Macaron Pillow template to a double layer of your Main color; cut out (2) Macaron pieces from the Main.
3. Cut a 6" x WOF strip from your Main color.
4. Cut a 4" x WOF strip from your Filling color.

ASSEMBLY

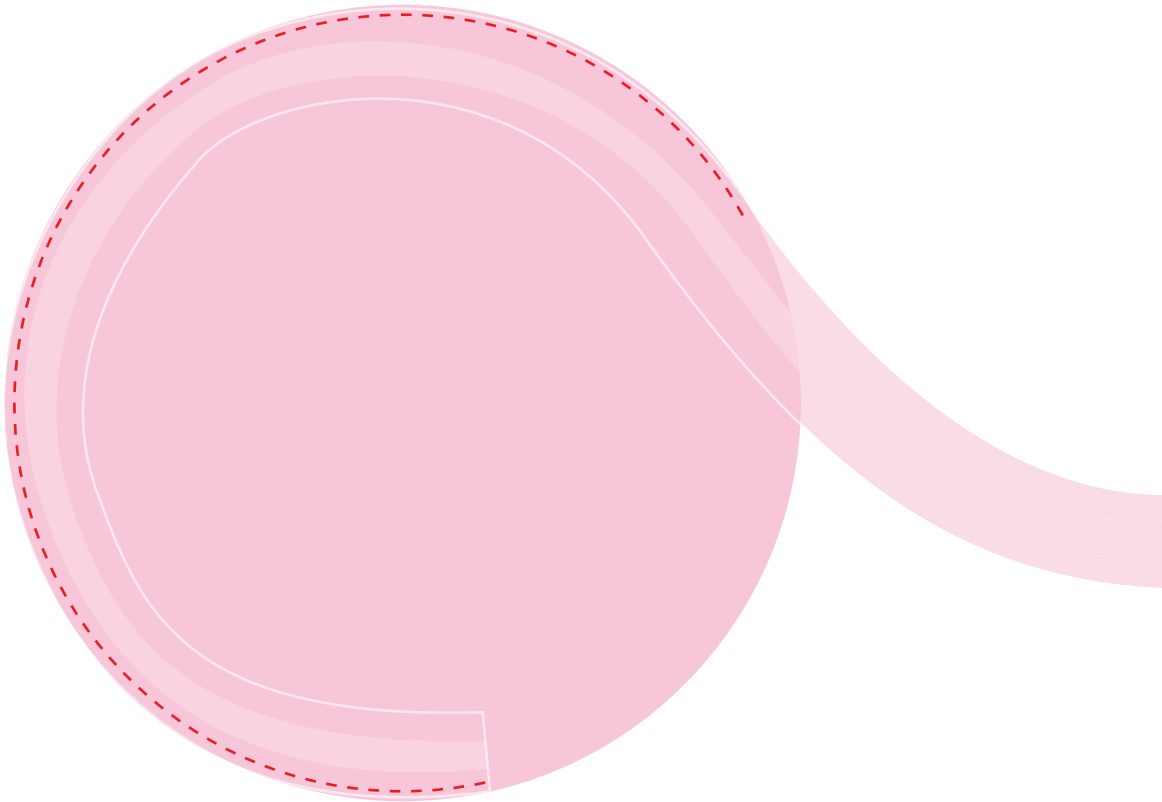

1. With its raw edges tucked underneath it, topstitch the Filling strip to the Main strip as shown with a 1/4" seam allowance. The longer-nap side of the Filling and the shorter-nap (darker) side of the Main should be facing up.

Trim any excess Filling.

2. Sew the Filling unit from Step 1 to the outer edge of one Macaron piece with a 5/8" seam allowance, with the Right Side of the Filling unit against the longer-nap (paler) side of the Macaron.

The diagram shows this step about 3/4 finished, but you should sew all the way around the circle.

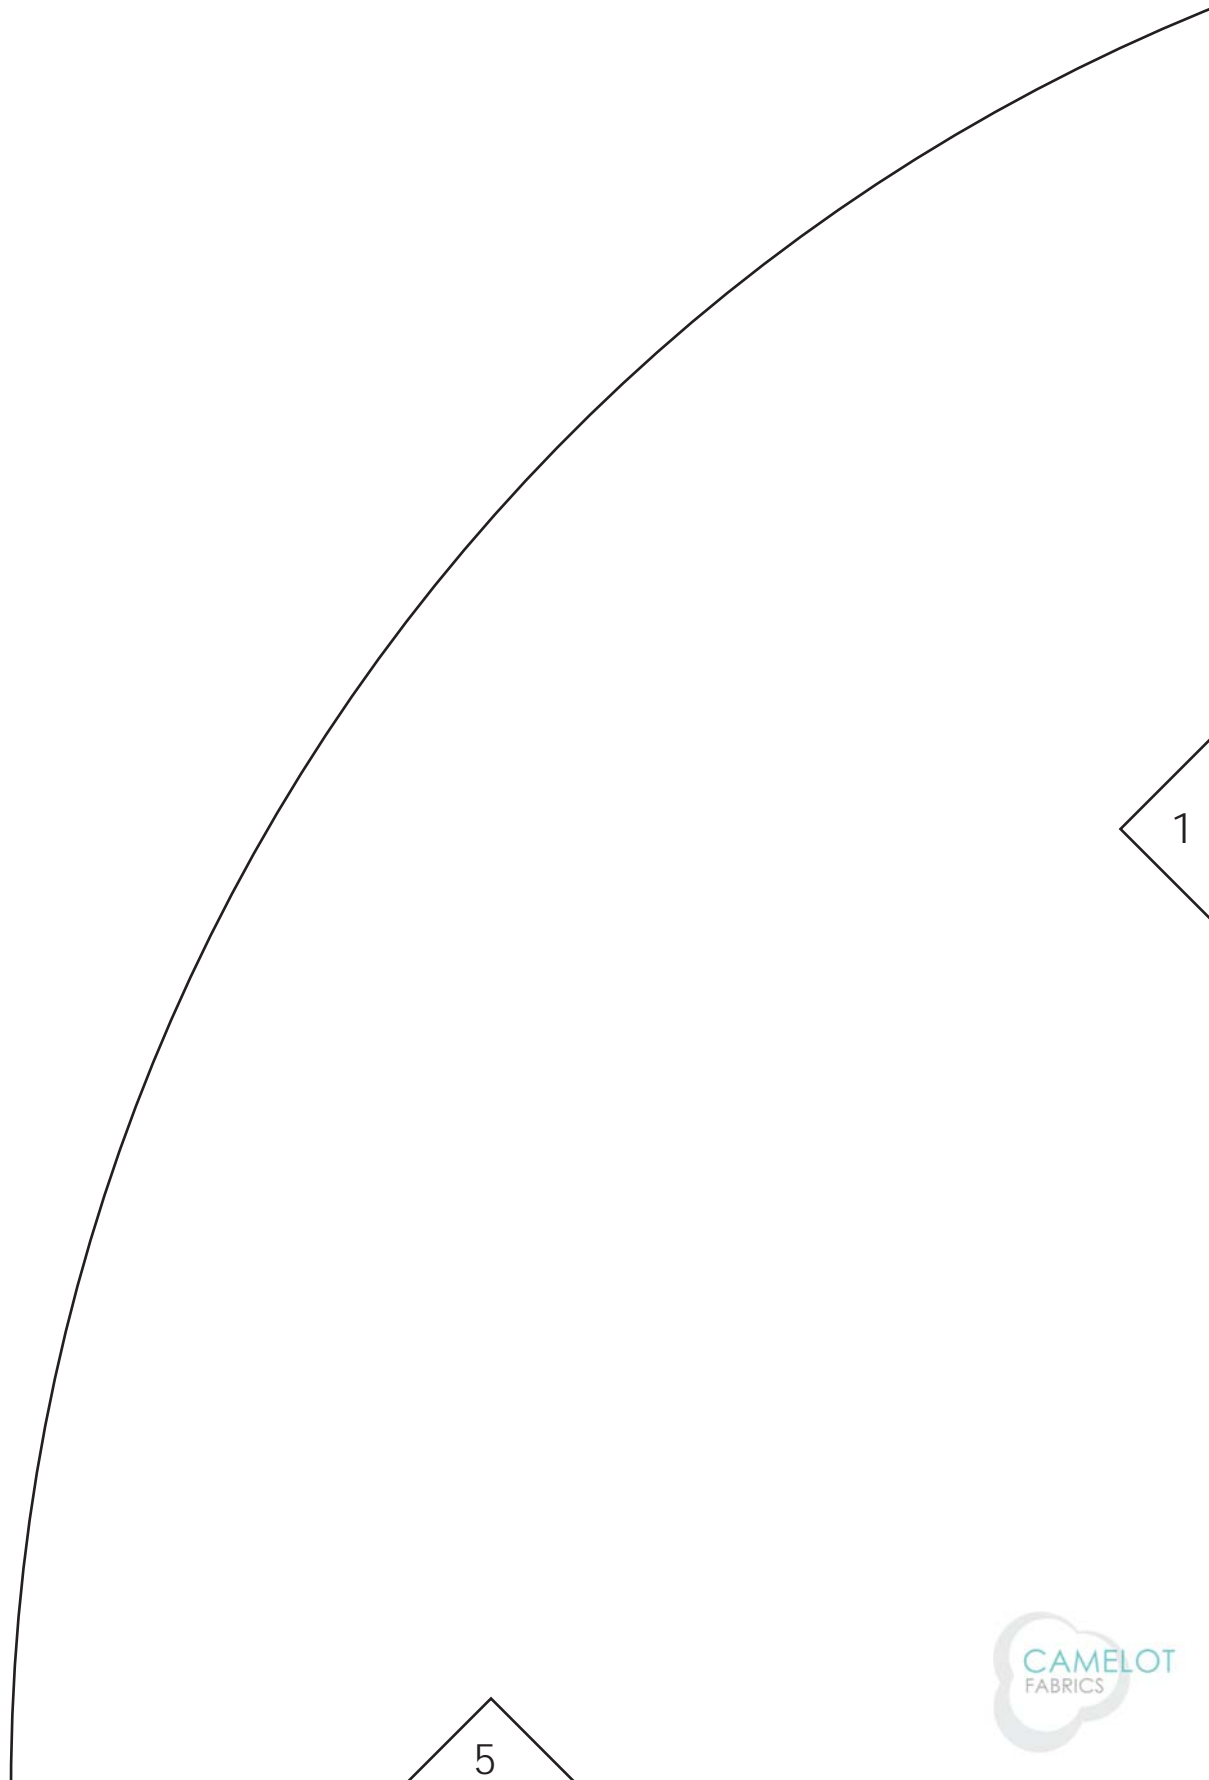

3. Sew the second long edge of the Filling unit to the outer edge of the second Macaron circle and trim any excess Filling.

4. Invert the Macaron through the gap between the two ends of the Filing strip and stuff it. Whip-stitch the gap closed by hand.
